SOCIAL DISTANCING 101

Social distancing is the act of reducing face-to-face contact which may help slow and reduce the spread of disease.

- Limit in-person gatherings with people who do not live with you.
- Limit outings only to purchasing essential supplies.
- Limit use of public facilities.
- Maintain at least six feet between other people at all times.
- Stay at home as much as possible.
- Limit use of public transportation unless it is your only option.
- If you have the ability, work from home as much as possible.
